GRADES 1 to 12 DAILY LESSON LOG	School:	P.M. CLAR ELEMENTARY SCHOOL	Grade Level:	6
	Teacher:	MERALYN P. MATUNDO	Learning Area:	MAPEH
	Teaching Dates and Time:	JANUARY 26-30, 2026	Quarter:	4th QUARTER Week 1

	MONDAY (MUSIC)	TUESDAY (ARTS)	WEDNESDAY (P.E)	THURSDAY (HEALTH)	FRIDAY
I.OBJECTIVES					
A. Content Standards	The learners demonstrate an understanding of the various tempo.	The learners demonstrate an understanding of shapes, colors, and the principles of contrast and harmony through the use of new media in creating audio-video art and product or package design.	The learners demonstrate an understanding of participation and assessment of physical activity and physical fitness.	The learners understand the concepts and principles of selecting and using consumer health products.	
B. Performance Standards	The learners perform a given song, using tempo marks appropriately.	The learners create an actual 3-D digitally-enhanced paper bag for a product or brand. applies concepts on the use of new technologies (hardware and software) in creating an audio-video art/animation.	The learners participate and assess their performance in physical activities. assesses physical fitness	The learners consistently demonstrate critical thinking skills in the selection of health products.	
C.Learning Competencies/Objectives	identifies the different tempo in a music sample: 1. allegro 2. andante 3. ritardando 4. accelerando 5. largo 6. presto 7. vivace MU6TX-IVa-b-1	Discusses the concept that design principles and elements relate to everyday objects. A6EL-IVa	Assesses regularly participation in physical activities based on the Philippines physical activity pyramid. PE6PF-IVb-h-18	Explains the importance of consumer health. H6CH-IVa-13	
II.CONTENT	**DIFFERENT TEMPOS IN A MUSIC**	**Design Principles and Elements Relate to Everyday Objects**	**Assessment of Physical Activities and Physical Fitness (FOLK DANCES)**	**THE IMPORTANCE OF CONSUMER HEALTH**

IV.PROCEDURES					
A.Reviewing previous lesson or presenting the new lesson	Recall the previous lesson.	Recall the previous lesson.	Recall the previous lesson.	Directions: In the space provided, Draw a happy ace ( ) if it is Philippine Folkdance and a sad face ( ) if not number. _____1. Dayang-Dayang _____2. Binasuan _____3. Tango _____4. Tinikling _____5. Ballet _____6. Maglalatik _____7. Boduts _____8. CariÑosa _____9. Pandanggo sa ilaw _____10. Lambada	Recall previous lesson.
B.Presenting Examples/ instances of the new lesson	Let the pupils listen to a song and let them analyze the tempo of the music.	Show some pictures of artwork.Discuss it in the class.	Watch a vedio presentation of an ITik-Itik dance.	Ask: Who are the consumer? What is a consumer?	Continuation of the topic.
C.Discussing new concepts and practicing new skills #1	**Tempo** is the speed at which a piece of music is played. In classical music, the tempo is typically indicated with an instruction at the start of a piece and is usually measured in beats per minute (BPM).	Art has become one of the most important elements that make our life and surroundings beautiful, colorful ,and alive. The object that we encounter on a daily basis, embodies some elements and principles which make it visually appealing. Elements of art are stylistic	Folk Dance – a dance developed by people that reflect their lives of a certain country or region. The term implies to the traditional flavors and characteristics of the people, their feeling and sentiments. It is also sometimes referred to as traditional dance. Iti-Itik and	Consumer health aims to develop a person's ability to evaluate and utilize health information, products, and services wisely and effectively. Consumer - a person who buys goods and services. Consumer health- pertains to the wise purchase of products and services in order to obtain the ultimate satisfaction and wellness of the body. Myths - a story that was told in an ancient culture to explain a practice, belief, or natural occurrence. Misconception - wrong concept, because they don't know the facts, many people have a misconception	

		features that an artist are incorporating in an art piece to communicate to his/her target audiences. Principle of design on other hand is the rule in composition that one must follow to create an effective and attractive design.	Maglalatik are some examples of the Philippine dances. Itik-itik is a mimetic folk dance in the Philippines. It originated in the province of Surigao in Mindanao. Itik-itik (the Tagalog word for "duck"), the dance steps imitate the movements of ducks in rice paddies and swamplands, such as wading, flying, and short, choppy steps. Costume: patadyong or balintawak	about the diseases such as AIDS and CORONA virus are transmitted.
C. Discussing new concepts and practicing new skills #2	**Different Tempo in a Music** 1. Allegro – fast, quick, and bright (109-132 BPM) 2. Moderato-tempo marks directing that a passage is to be played at a moderate tempo (108-120 BPM) 3. Andante– walking space/ moderate slow (73-77 BPM) 4. Ritardando – gradually slower 5. Accelerando – gradually getting faster 6. Largo – very slow (45-50 BPM) 7. Presto -very fast (168-177BPM) 8. Vivace – lively, faster than allegro (132-140 BPM)	These are pieces of artwork. They are usually displayed in museums, parks, and public places. You see a colorful display of… https://www.google.com/search?qhttps://www.google.com/search?q=handicrafts+in+the+philippinesproduct+display+in+billboards&tbm product advertisement on billboards handicrafts in the market https://www.google.com/search?q=attractive+landscapes+philipp https://www.google.com/search?sculptures+in+the+philippines beautiful and attractive landscape streets	Maglalatik. It originated in the town of Biñan in the Laguna province of the Filipino Islands and is also performed as homage to the town saint, San Isidro de Labrador. Maglalatik is an original native dance of the Philippines in which the coconut halves are attached to the torso of the dancer. Costume: shirtless with trousers together with coconut shells around the body. Trousers: Muslims wear red trousers and while Christians wear blue. coconut shell: 4 pairs of coconut shell for both knees, 2 pairs for the body, one in front for the chest part and another one at the back and a pair for the hands (for tapping)	**The Eight Basic Consumer Rights** 1. Right to Basic Needs - guarantees survival, adequate food, clothing, shelter, health care, education and sanitation. With this right, consumers can look forward to availability of basic and prime commodities and affordable prices and good quality. 2. Right to Safety - The consumer should be protected against the marketing of goods or the provision of the services that are hazardous to health and life. It is your right to have products that are safe to use. 3. Right to Information - The consumer should be protected against dishonest or misleading advertising or labeling and has the right to be given the facts and information needed to make an informed choice. 4. Right to Choose - The consumer has the right to choose among various products at competitive prices with an assurance of satisfactory quality. 5. Right to Representation - The right to express consumer interests in the making and execution of government policies. 6. Right to Redress - The right to be compensated for misrepresentation, defective goods, or unsatisfactory services. 7. Right to consumer education - the right to acquire knowledge and skills necessary to be an informed consumer. 8. Right to a healthy environment - The right to live and work in an environment that is neither threatening nor dangerous and which permits a life of

		  Design is not about pictures placed together and arranged in a way that creates a story. It is about creating harmony among elements and having them come together in a final product. The principle and elements of design both carry the same weight in creating an effective piece. The elements of art and principles of design are the fundamental pieces that make up an artwork. Most works of art make use of all the elements and principles of art.		dignity and well-being. It is important to know your basic rights as a consumer in order to avoid being a victim of health fraud. Health fraud is dishonest promotion, advertising, and distribution. It is a health scam. ➢ The COVID-19 Pandemic is a catalyst for healthcare fraud nowadays, and some actors and actresses are preying on people's fears to turn a profit. They are selling fake COVID-19 test kits and unapproved treatments online, and have even delivered door-to-door. ➢ So we must be careful at this time of pandemic crisis because fraudsters are rampant everywhere, and always finding ways to make money. 1. Those who fall short of developing the correct attitude and orientation on health. 2. Those who are unaware of the roles, responsibilities, and rights of being users of health products and services. 3. Those who do not give the right value for money, time, environment, and people	
E. Developing Mastery	Directions: Identify the different tempo in the box. Write your correct answer in your music activity notebook. Presto Vivace Allegro Andante Largo Ritardo Accelerando _____1. Very slow (45-50 BPM) _____2. Lively, faster than allegro (132-140 BPM) _____3. Walking space/moderate slow (73-77 BPM) _____4. Very fast (168-177 BPM) _____5. Fast, quickly and bright (109-132 BPM)	Directions: Put a check (√) if the picture shows the following elements and principles of art. Picture / Elements (Shape, Color) / Principles (Contrast, Harmony) 1. 2. 3. 4. 5. Ready to Print	Directions: Based on the diagram/pictures. Give at least 2 words that best describe the nature of dance. Write each word on the space provided inside the circle. 1.____ 2.____	Directions: Write Yes if the statement states the importance of consumer health and No if does not. 1. Get information about the product before buying. 2. Use the product because the model is your idol. 3. You buy the product without investigating because you have a lot of money. 4. Take action if consumer rights are violated. 5. Provides individuals with knowledge, skills,	Directions: Match the following statements below to the box which contains the Rights of a Consumer of which the statements describe .Write only the letter of your answer on the space provided before each statement. a. Right to Basic Needs b. Right to Safety c. Right to Information d. Right to Choose e. Right to Representation f. Right to Redness g. Right to consumer education h. Right to healthy environment _____1. The right to express consumer interests in the making and execution of

				aptitudes, and capacity to become responsible consumers.	government policies. _____2. The consumer should be protected against dishonest or misleading advertising _____3. Permits a life of dignity and well-being. _____4. The consumer should be protected against the marketing of goods or the provision of services that are hazardous to health and life. _____5.Tthe right to acquire knowledge and skills
F.Finding Practical application of concepts and skills in daily living	Directions: Draw a line to match the tempo name to the correct meaning. **TERMS** 1. Presto 2. Ritardando 3. Vivace 4. Allegro 5. Largo 6. Accelerando 7. Andante 8. Tempo **MEANING** a. fast b. moderately slow c. a gradual change to a slower tempo d. a slow gradual change to a faster tempo e. very slow f. very fast g. lively and fast *(quicker than allegro)* h. rate of speed	Directions: Create a 3D design using soap as your medium. A.What to do: 1. Choose an object as your model, and use soap as your medium. 2. Shape the soap into that object based on your model. 3. When you are done, put it in a secured box with a plastic cover. 4. Capture it and upload it to our official Facebook page. B. Output Title of Artwork: _____ _____Date & Time (started-completed) _____Medium used: _____ _____ _____	Directions: Study the history of Maglalatik and Itik-itik dance then fill in the table. Folkdance | Costume | Props | History/ Originated Itik-Itik | | | Maglalatik | | |	Directions: Find the words listed below in the crossword puzzle. You can locate the words in the grid horizontally, vertically or diagonally, sideways and downward. Encircle each, word. Consumer, Right to choose, Consumer health, Products, Fraud, Medicine, Safety, Myths, Values R T P O R N S A R T O R T R A D I C R A K D W S A C T O W O V A G K O R L H Z G O R O S E A S V H D D N M J X N R R A R L D R M T V U K S D S F E T P U L G O Y T M C D P U J H A H E A N D L T O S T L M G M V C S D N E R A H C C S E W G E E F R A S S U S S H H R W H S D S R T O F S L D I O O H K S C I G A H T L E F Y R O P K S M H C J U D E K F T T D S A D P M E I G D O N A D E Y J E S L O V E N R T V D R L R H F H F A D Q G E E S E S T A T D T D H M E A J L S H M K S H Y H Z	Directions:Answer the following questions in one or more sentences.(5 pts.each) 1. Why is consumer health important?
G. Making generalization and abstraction about the	What are the different tempo in music?	What is art?	What are the costume of Itik-itk dance?	Who are the victims of health fraud?	

lesson					
H. Evaluating learning	Directions: Write the letter of the correct answer in your music activity notebook. 1. It is a very slow tempo in music. a. Andante c. Accelerando b. Ritardando d. Largo 2. It is the speed at which a piece of music is played. a. Dynamic c. Tempo b. Rhythm d. Melody 3. What tempo in music that very fast? a. Presto c. Vivace b. Allegro d. Accelerando 4. This tempo in music is lively and faster than allegro. a. Allegro c. Largo b. Vivace d. Presto 5. In what tempo in music is walking pace/moderate slow and has 73-77 Beats Per Minute? a. Allegro c. Andante b. Accelerando d. Presto	A.Directions: Read the statements carefully. Write Agree or Disagree on the following situations. Write your answers on the line provided before each number. _____1. In creating an interesting design harmony and contrast are necessary. _____ 2. Color is one of the most dominant element. _____ 3. Contrast refers to the arrangement of elements. _____4. A design without harmony is an appealing art. _____5. Product designing is creating a new product meant for mass production. _____6.
